One maistry on Rs 13/- Plus 5 p m

Report No 113/44-45 dated 29-11-44 from the President, Town Municipal Council, Mandya, to the Deputy Commissioner, Mandya District, Mandya

I have the honor to state that an additional gang consisting of the marginally noted staff is quite essential for a period of six months with effect from 1-12-44 on account of closing pits, cleaning and trimming of roads in the old town and the extension owing to recent rains, many of the roads require repairs immediately. These works cannot be got done by sweepers without detriment to town sanitation. Even last year a gang was appointed and such work was got through. You were also pleased to issue instructions to submit proposals in this behalf at the time of your inspection of the town on 22nd November 1944. Hence, I request that sanction of Government may kindly be accorded for entertaining the marginally noted staff for a period of six months with effect from 1-12-44 and to meet the extra amount from the closing balance of the Municipality for 1944-45. In anticipation of kind sanction of Government, I request your kind orders to appoint the gang from 1-12-1944

one maistry at Rs 13 + 5 D A (Total Rs 18 per month)	
Six male coolies at 9 annas per day	
4 female or boy coolies at 6annas per day
